Job Location: Rolling Ridge Lane and Along Brink at Rolling Ridge

WORK DESCRIPTION:

We hereby submit specifications and estimates for:

Trim and elevate the trees along Rolling Ridge Lane. There are 16 trees in this location along both sides of the street. All the trees will be elevated up on both sides of the street and the entire tree will be elevated to balance these trees and allow trucks to pass under them. These trees will be thinned as well.

Labor, equipment and disposal: \$1,600.00

Trim and elevate the trees along Brink Road at Rolling Ridge Lane. There are 11 trees in this location. All the trees will be elevated up around the tree to balance these trees and allow for pedestrians to pass under them and vehicles to park in the areas where parking is allowed. These trees will be thinned as well.

Labor, equipment and disposal: \$800.00 (If done with the work in paragraph 1 above.)

SPECIFICATIONS:

Work will be scheduled when signed proposal is received in the office.

All work is to be completed in a professional manner according to standard industry practices. Any alteration or deviation from the above specifications involving extra costs will be completed only when mutually agreed upon, with fully executed orders, and will become an extra charge over and above the original estimate. Customer acknowledges that Goshen is permitted to install temporary yard signs near the entry of the property and allows photography or video to occur of the project being completed for advertising or marketing purposes.

All items specified and/or options detailed above are considered to be within the contracted scope of work unless deleted or crossed out and initialed by customer when signed acceptance is submitted.

For projects that include excavation, any underground obstacles that are encountered will increase standard contract prices. All private underground cables and water lines should be marked before excavation begins. Goshen Enterprises, Inc. is not responsible for lines that are not marked by the utility marking service or the client. All additional work will be charged with a separate proposal.

Plant material and labor for plant replacement is guaranteed for one year from date of installation. Please note that there is no warranty on transplanted material. Soil amendments will apply as individually specified. This warranty allows for plant selection and substitutions where appropriate or necessary due to local availability and/or quality of materials.

All agreements are contingent upon strikes, accidents or delays beyond our control. Property owner is responsible for carrying fire, tornado and other necessary insurance. Our workers are fully covered by Workman's Compensation Insurance.

All taxes are included in this price. Payment is due upon receipt of invoice. A late fee of 10% of the outstanding balance, or no less than \$10.00, plus 1 1/2% monthly accrued interest charge will be applied to unpaid balances after 30 (Thirty) days. Customer will be responsible for all costs, including legal and court, associated with collecting overdue invoices.

All credit card payments will incur an additional 2% convenience fee, calculated on the total amount of invoice.
